Kali River Project.

Shri B.P.Kadam (Ankola, Karwar): *396. Will the Minister for Public Works be please to state -

(1) whether the possibilities of erecting a power project over the Kali river were at any time explored and surveyed;

(2) if so, when and with what result were they explored and surveyed;

(3) what was the cost of the survey;

(4) why was the project not taken up;

(5) whether any preliminary expenditure was incurred with a view to taking up the project;

(6) whether Government intends to take up the project, and if so, when;

(7) if no, why not;

(8) whether the project has been included in the Five Year Plan?

Shri M.M.Nasik Nimbalkar.

*396.(1) Yes.

(2) and (3). In 1947 the work of preliminary investigations and preparation of project report was entrusted to Messrs. The Associated Consulting Engineers (India) who carried out the necessary investigations in 1947-48 and submitted the Project report to Government in 1949. The cost of the investigation was Rs.2,28,900/-. The project report was considered by Government and it was decided that detailed survey and exploratory work for the preparation of the project report of the first stage of Kalinadi Development at Supa should be taken up.

(4) On account of the financial stringency it has not been possible to make provision for this work.

(5) Vide answer to items (2) and (3) above.

(6) and (7). The question of taking up the project depends on funds being available.
